Spark: Weekend Academy

UNIVERSITY OF GEORGIA
Center for Continuing Education & Hotel

October 21st-22nd | 10:00 AM - 3:30 PM

Spark: Weekend Academy invites middle and high school students to attend weekend-long academic courses hosted on UGA's campus!

American Sign Language students will learn basic fingerspelling, vocabulary, and grammar through practice with peers & interactive games.

3D Animation students will learn modeling and animation techniques through Autodesk's Maya software -used by professional studios worldwide!

Available for students ages 13-16.
